Phone: (347)443-4436
E-mail: admin@malikabutler.com

Malika Bee (Butler) is the name, crafting and building digital experiences is the game.

With this goal in my I acquired a unique set of skills, which require you to get that reference. All jokes aside I'm a hybrid front-end developer and designer with experience working in various different types of companies. My goal is to be somewhere I can continue being a hybrid and utilizing all of my abilities.
